

## Oregon Knife Collectors' 2008 Club Knife

This year we are offering a Roy Humenick handmade folding pocketknife for members of the OKCA. This knife is a Coke Bottle pattern and measures 3 5/8" closed. The blade is made from S30V steel and is flat ground and hand rubbed. The unique bolster/liner material is made of 416 stainless. The handles are select mahogany bone with beautiful jiggling. All pins are stainless steel, and the oval shield is pinned in place. This is a knife that just begs to be put in a pocket and used. Pretty it is but user friendly too.

Roy Humenick has been making knives since 1984, and this project has been in the works for several years. The time was right, and the special pricing was arranged as a favor by Roy.

The limited edition of only 50 knives will be serial numbered, year dated and marked as Oregon Knife Collectors' knives. These knives are only available to Oregon Knife Club members.

Serial number requests for your 2007 number will be honored if possible. All other serial numbers will be random drawing. Delivery will be at the April 2008 Oregon Show.

This is a fund raising project for the OKCA so help out and also make an investment in what will soon be a very desirable knife to own. These knives will go fast so don't delay. One knife is available per member on this first offering. You may order multiple knives but getting more than one will be determined after December 15<sup>th</sup>.

The price on this limited edition knife is \$325 .
